In addition to Mrs Semopova and myself residing at No. 650 Weihaiwei Road, two other Russian women and three Korean women reside. These women are connected with the establishment that is conducted on immoral lines. After 8 p.m. daily, several other Russian women assemble for the same business.

The Korean women names are known as:-

(1) Ruba. (2) Yosiko. (3) Marigo.

These 3 are stated to be sold to a Russian woman who they call "Mama", who purchased them from a male Korean about 1½ years ago.

Ruba is now suffering from Venereal Disease of the throat, brought about by continually being compelled to submit to the sexual desires of clients in the form of " FELATIO " (Consummation of the male organ through the mouth).

Ruba has complained to ~~to~~ the mistress, who still insists that she carry on. Therefore, she has requested me to help her that she can free herself from such a life.

The establishment at No. 650 Weihaiwei Road, is in someway connected with No. 52 Love Lane. At the latter place which is conducted on similar lines as Weihaiwei Road, the mistress namely, Varvara Gorskaya, has assembled many Korean women, and is on friendly terms with a Japanese Consulate official named, Kobayashi, Room No. 10, Japanese Consulate.

Мое имя Александр Геллер, мне 43 года я русский подданный, счетовод и живу в доме 650 Вейхавей Род.
Я живу в этом доме в течении одного года и семи месяцев, в комнате на нижнем этаже, за которую я плачу $15.00 в месяц.
Хозяйкой этого дома является русская женщина по имени Мария Симонова. Симонова до того как она переехала на 650 Вейхавей Род, жила в доме №634 Баркер Род. В этом доме она являлась хозяйкой массажного заведения, которое фактически являлось притоном проституции.
Фактической хозяйкой этого заведения являлась Варвара Горская русская, которая живет на 52 Лов лайн.
В самом начале 1937 го года это заведение на Баркер Род было закрыто и переведено в дом №650 Вейхавей Род, где хозяйкой является Симонова.
Дом на Вейхавей Род состоит из 12 комнат которые заняты следующим образом.

Нижний этаж. 1 Столовая и 1 гостиная
1 Комната для массажа и спальная, (которая занята Симоновой).

Первый этаж. Четыре спальни.

Второй этаж. Четыре спальни.

Этот дом, как и прежний рекламируется в различных газетах как массажное заведение, что является только внешней для прикрытия проституции.
Кроме Мме Симоновой и меня в этом доме живут еще двое русских женщины и три Норвежки.

Эти женщины заняты аморальными делами.
Часть 8-ми часов вечера, много других Русских женщин собираются там для той-же цели.
Корейянки известны под следующими именами:-
1) Руза 2) Осико 3) Марико.
Говорят что эти три Корейянки были проданы около полуторых лет назад одним корейцем русской женщине известной под кличкой "Мама".
Руза страдает венерической болезнью горла, которую она приобрела, будучи принуждена постоянно удовлетворять половыя похоти клиентов в форме "Felatio" (Путем удовлетворения принятием мужского полового органа в рот.) Руза заявляла своей хозяйке, которая до сих пор заставляет ее продолжать эту работу. Поэтому Руза просила меня помочь ей освободить ее от подобной жизни.
Это заведение на 650 Вейхавей Рад имеет какую-то связь с домом на 52 Лов лайн. В этом последнем доме ведется подобное-же предприятие, хозяйкой является Варвара Горская, у которой собираются Корейянки и которая находится в дружественных отношениях со служащим Японского Генерального Консульства по имени Кобаяши комната № 10, Японское Консульство.

Всегда перед таким визитом Кобаяши звонит Горекой по телефону и предупреждает ее.
Горекая сразу отсылает всех дивушек за исключением одной, присутствие которой официально разрешается а остальные возвращаются позднее. Я знаю что такое ведение дома правда, потому что я сам видал как она давала вышеупомянутыя инструкции, когда я посещал ее.

Subject. U.S. Marine and Naval Personnel Registered in Foreign Lodging Houses During May 1939.

Made by. D.S. Mischenko Forwarded by. Inspector

I beg to forward herewith revised list of U.S. Marine and Naval Personnel residing in foreign lodging houses in the International Settlement during May 1939.

The information contained in the revised list was obtained by the undersigned and C.D.S. 24, Hsu Cheh Hsin, after lengthy and discreet enquiries had been made among the house-keepers, as well as by questioning of the Chinese servants in their employment, and by means of obtaining additional lodging house registration slips of the persons concerned.

In view of the delicate nature of the enquiry, great discretion was exercised in order not to hurt the feelings of the people concerned, or to arouse unnecessary suspicion. The enquiry was rendered the more difficult by frequent changes which occur in the relationship and residence between the girls and the U.S. Naval and Marine Personnel.

In addition to giving particulars of the name, age, branch of service, date of registration of the U.S. Naval and Marine Personnel concerned, the revised list gives the name, nationality and other details of each female person with whom the Personnel is occupying room in so far as such particulars ascertained in the course of this enquiry.

Date April 26, 1939.

Subject Numbers 650 and 108, Weihaiwei Road.

Made by D.S. Pavloff Forwarded by C. Crawford D.I.

Premises No. 650. This house is run by V. Gorskaya, naturalized Japanese subject of Russian origin, who is better known under the name of Viola Smith. In addition to this place she also operates two brothels namely:- Nos. 50-52 Love Lane and Nos. 91-97 Fearon Road. The former is managed by Viola's paramour, Evgeny Scherbak and the latter by a Russian woman named E. Savchenko. The brothel at 650 Weihaiwei Road is managed by a Russian female named Xenia Simonova, while the premises at 91-97 Fearon Road are registered under the name of Simonova and not Gorskaya. It is believed that Viola has yet another establishment on Boone Road in which some 30 girls of Korean nationality are kept, This place is mainly patronized by the Japanese Army. Viola is the sole proprietrix of all above mentioned brothels.

After the outbreak of the Sino-Japanese hostilities locally, Viola started a transport company and is reported to own about 30 motor trucks which do business in the Japanese occupied areas. She is also engaged in an import and export business, and for this purpose she has an office in the Liza Hardoon Building, Nanking Road, the firm being known as the Oriental Trans-Pacific Syndicate. Judging from the foregoing it is apparent that Viola is financially well off.

Premises 108. According to information to hand, this business is run by a Russian woman named Clavdia ZAKIS who arrived in Shanghai from Tsingtao towards the

end of 1930. For some time she was connected with a brothel at 1-2 Fearon Road, which was then operated by notorious white slave trafficker - A.O. Vigovsky, who left Shanghai for Dairen in December 1938. During the course of investigations, Mrs. Zakis was indirectly approached and during the conversation it was ascertained that she resides on the premises together with her husband, K. Zakis, and her child. Also that there are six other rooms, four of which are at present occupied by foreign females.

Enquiries at the Revenue Office show that for the past four years, the Municipal taxes on the premises in question have been paid by Mr. K. Zakis.

Enquiries have failed to elicit any information that any persons of American nationality are connected with the above establishments.

Sir,

With reference to the attached Memorandum from the D.C. Special Branch, concerning premises No. 108 & 650 Weihaiwei Road, I beg to report the following:-

Premises No. 108.

This house is a Regimental Brothal supervised by the British Military Police, for the exclusive use of British Forces, and has been in existance since 1932.

The establishment is known to be conducted by a Russian woman named, Irina Stavitsky, who assembles 7 Russian women.

Stavitsky prior to becoming proprietress of this establishment was a prostitute under one named, Vigovsky, Feron Road.

The undersigned was always given to understand that this establishment is owned by Stavitsky, who had a certain sum of money advanced to her at the outset, and is known to be living with a man name unknown, believed to be an American citizen.

Premises No. 650.

This establishment is owned by one named, Gorskaya, Russian, (Japanese subject), professionally known as "Viola", who conducts a brothel at No. 50-52 Love Lane, and resides with one named, Eugene Scherbak, Russian.

The establishment has operated at No. 650 Weihaiwei Road since July 1937. Prior to that date, it was located at No. 634 Burkill Road.

In addition to the establishment being conducted as a brothel, massage may be obtained, and, from authentic sources, the undersigned has ascertained that many clients are "Sadists", whose sexual desires may be satisfied by various lewd acts rendered to them.

It can be definitely stated, that these establishments are not operated with Chinese interests, but, the information that there are two American ex-servicemen, the undersigned has been unsuccessful in substantiating the belief.

The undersigned respectfully draws attention that there is a file at Headquarters, concerning Viola, subject "Suspected Poisoning".

Continued enquiries will be carried out, should further information be forthcoming, a further report will be submitted.

Subject. Porter D. DILLEY, American Newsreel cameraman

Made by D.S. Fitts Forwarded by C. Crawford D.I.

Porter D. DILLEY, American, about 35-40 years of age, is according to enquiries, a newsreel cameraman who wanders from time to time to various parts of the globe securing pictures of travel and scenic interest to be made up into what are commonly known as screen travelogues. When he has obtained sufficient material he returns to the United States where he moves from town to town giving lectures on the various phases of life in foreign lands which he has visited, utilizing, of course, his films.

He has no connection with any Hollywood Studio or any American publication. He is said to make a fair living from this type of business which he has followed for years.

FILE

Prior to arriving in Shanghai on January 19, 1939 in the s.s. "President Pierce" from Kobe, he spent three to four months in Japan taking moving pictures with the permission of the Japanese Government. In this connection it is believed he was subsidized to a certain extent by the Japanese Authorities to secure films of the country having a big interest for the American public. In Japan his address was Dai Ito Hotel, Tokyo.

While in Shanghai he resided at the Navy Y.M.C.A., Szechuen Road, but made very few friends here.

On February 6, 1939 DILLEY was arrested by members of the Japanese Naval Landing Party for taking pictures on Chapoo Road Bridge, but was released shortly afterwards, when he made it known that he had secured permission from Captain NISHIHARA, Naval Spokesman at the Press Conference to take pictures in the area north of Soochow Creek.

DILLEY left Shanghai for Manila in the s.s. "President Taft" on February 17, 1939, from where he is expected to return in a leisurely fashion to America for the purpose of giving another series of lectures.

His home address is reported as being :-

c/o 827-P - P. Street,
Bakerfield,
California.

Careful investigations made by this office have shown that DILLEY has never had any connections with Room 405, 210 Kiukiang Road, which is the office of the "Alexander Publishing and Printing Company," the sole proprietor of which is a young American of radical tendencies named Alexander Hassler BUCHMAN. As far as can be ascertained DILLEY has never met BUCHMAN, either in Shanghai or in the United States and he certainly never visited the office in Kiukiang Road during his stay in Shanghai.

Dear Mr. Robertson —

Have a few more favors to ask of you. The first is to find out if you have anything in your files on a man named PORTER D. DILLEY
210 KIUKIANG ROAD
ROOM 405.

We would like you to bring up to date the list you furnished us some time ago of the Marines living with Chinese, Japanese and Eurasian girls.

Another thing we have been detailed to find out is the number of people living in Sector "C", that is, exclusive of the 4th Marines and also the number of refugees in Sector "C". Thought maybe you could give me a tip on how to get this information.

Thank you,

H. Hart.

The following is the result of enquiries conducted by the Special Branch regarding the five U.S. Navy Ex-servicemen named below :-

(1) C.H. Patterson, Passage 606, House 21, Avenue Joffre.

Enquiries reveal that Patterson, who is a heavy drinker, resides at above address together with his wife, a former dance hostess named Raisa Y. Flicker (Russian Jewess) and his mother-in-law. On 18-3-39, Patterson, giving his initials as E.H., applied to the French Police for permission to operate an employment bureau at Passage 26, House 613, Avenue Joffre, but up to date the French Police have not granted his application. It is of interest to note that one Sergey Ivanoff Mamontoff (Russian of ill repute) some time previously applied for permission to operate the employment bureau in question but his application was not entertained by the French Police as there is good reason to believe that the employment bureau is financed by certain Japanese for the purpose of obtaining Russians and Chinese for employment in Japanese controlled areas and also as a base for certain other less desirable activities. It is stated that Patterson has been promised a monthly payment of $50.00 for acting as the nominal head of the employment bureau and that he will have little or nothing to do with the actual running of the concern.

It has been reliably learned that all expenses connected with the bureau are being defrayed by one George Wai (韋竹軒), Korean, stated to be a drug smuggler and agent of the Japanese Intelligence service, who is also a partner of H.A. Keays, American citizen, in the Tai Hsing Company, 299 Szechuen Road. This concern is reputed to be working in close collaboration with the Japanese Intelligence Service. There is nothing to prove that Patterson is cognizant of the connection between Mamontoff and Wai and the Japanese but it is a fact that he is willing to lend his name to a venture sponsored by these doubtful characters.

Both Mamontoff and Wai came to the notice of the Police for the part they played in procuring one Vladimir Alexandrovitch Moskvine (Russian) to manufacture a time bomb which was exploded at the entrance to a newspaper office in Shanghai on 27-3-38.

(2) E.E. Gourley, Lane 1061, House 111, N. Szechuen Road.

Enquiries reveal that Gourley, who is an ex-U.S. Navy serviceman, has a Japanese wife living at Lane 1061, House 109 (not House 111 as stated in attached note) with whom he resided until sometime in November, 1938, when he is stated to have left Shanghai to take up a position of some sort with a large Lace Goods concern either in Swatow or Hankow. He is stated to be drawing a salary of Mex. $600.00 per month from his present employers and to be supporting his Japanese

wife. His postal address is c/o the U.S.A. Consulate, at either Swatow or Hankow (most probably the former). Nothing derogatory to Gourley's character is known to either the Settlement or French Police.

As far as can be ascertained, Gourley retired from the U.S. Navy in May, 1930 and took up residence in Shanghai. He was employed in various bars in the French Concession until February, 1934, when he purchased the "New Sunlight Bar", 863 North Szechuen Road from a Japanese subject named T. Oshima. Gourley personally operated this bar until December 1936, when he was compelled to close it down owing to bad business.

In February, 1937, he applied for a Tavern licence in respect of premises 615 Szechuen Road, but his application was refused due to the proximity of the premises to the Navy Y.M.C.A.

(3) J.R. Meyers, Passage 360/3 Avenue du Roi Albert, French Concession.

Enquiries concerning Meyers have failed to obtain much information concerning his movements. There is no record of him in the files of the French or Settlement Police. He is unemployed and pays a monthly rent of $60.00 for his room at above address. A rumour, current in certain circles in the French Concession, to the effect that Meyers has been interesting

himself in transactions in opium, lacks confirmation. As far as can be learned, Meyers does not habitually consort with any particular woman.

(4) E.E. Rickett, 51 Canton Road.

Enquiries revealed that Rickett resides with his Chinese wife and two Eurasian children at Lane 64, House 3, Route Pichon. He is unemployed and though a member of the U.S. Fleet Reserve Association, rarely visits the Association's Club at 106 Peking Road. There is nothing on record concerning Rickett in the files of either the French or Settlement Police.

(5) W. Hallett, Passage 697, House 1, Avenue Joffre.

Enquiries revealed that Hallett occupies Room 5 of a Chinese owned Boarding House at Passage 697 (not Passage 693 as stated in attached note), Avenue Joffre, House 1, where he lives with a Chinese female. Hallett, who is a heavy drinker, is unemployed. During April, 1937, he was living with a Chinese female at Lane 108, House 7, Wuchow Road. In November, 1938, Hallett applied to the S.M.C. Revenue Department for a position as Pontoon Supervisor but was not accepted. In 1934, he was registered with the Salvation Army Employment Centre where he was well spoken of by the Staff. Apart from his habit of drinking heavily and consorting with Chinese females, enquiries have failed to reveal anything detrimental to his character.

With the exception of Gourley, four of the five persons mentioned on attached note reside in the French

U. S. Sailors' Transfers Are Objected By Wives

Japanese Women Protest Against Navy Husbands Being Sent Home, Leaving Them Behind Without Chance Of Going To States

Modern "Mme. Butterflies" in Shanghai are up in arms over the short-term transfers of their "Captain Pinkertons."

If the U.S. Navy Department does not heed the appeals of Japanese wives of American sailors and stop transferring them before the expiration of their periods of service in China, a series of blasted romances such as the one described in Puccini's famed opera may be witnessed in Shanghai, it was indicated in an article appearing in the Japanese daily "Mainichi" yesterday.

Japanese wives of American "Gobs" are launching a campaign to voice a concerted protest against the action of the American naval authorities which threatens to deprive them of their mates, the paper said.

There are quite a number of Japanese girls in Shanghai who have become the common law wives of American sailors, the journal stated. The girls say the recent orders of the American naval authorities regarding transfers of sailors appear to be directed against those who have Japanese wives here, according to the "Mainichi."

Naval Regulations

American naval regulations usually allow sailors to remain in the Orient for a period of two years, which can be renewed on request, the paper said.

In spite of this customary procedure, many sailors in Shanghai have been transferred one by one since last month, the journal stated.

Several groups of Japanese wives are meeting to have heart to heart talks on ways and means to save their romances from being shipwrecked, according to the daily.

"The American Navy is transferring our husbands just because they are married to Japanese girls," a spokesman for the discontented wives told a reporter of the "Mainichi" at a conference on Saturday.

"Some of us have been married four years and have children. Formerly our husbands could prolong their stay here if they asked for permission after two years of service time here.

"But now since last month, some of the men with Japanese wives have been ordered to leave before their two-year terms were up.

"We simply can't understand this because things have changed so suddenly and our husbands' requests to get their service time here extended have been turned down by the Navy officials.

"This Is A Cruel Thing"

"This is a cruel thing to do to us, and they seem to be making these orders only for the sailors who are with Japanese girls.

"Our husbands' chums who are with girls of other nationalities are staying right here when they want to. The sailors who are married to Chinese girls are not affected by these new transfer orders.

"We can't understand it. It looks to us as if it was done deliberately by the American Navy officials."

A group of Japanese wives met at a tea room on Bubbling Well Road on Saturday to air their grievances. Their names were given by the journal as Mrs. Clara Uyehara, Mrs. Margaret Oki, Mrs. Nola Nakata and Mrs. Catherine Oshima.

Even if they are married according to the laws of the United States, they cannot go to America with their husbands because of immigration restrictions, the paper pointed out.
